

BELCORTE MIDSUMMER NEWSLETTER

Good morning Belcorte homeowners and renters,
Just a few notes and some updates.

First: Our Belcorte Yard sale is October 15th. Prepare now. Maybe some cul-de-de-sac residents will combine their precious stuff. Remember that the dealers come very early, as soon as it is light. They move quickly so be ready. The board will put out signs on Pantano and 3rd and also at 5th and Hayden. We will also put an ad in various news outlets

Trees: Some limbs have fallen and been removed. We are nurturing some seedlings along the wall - these are great because they are not irrigated by Belcorte. They evidently get their moisture from the neighbors.

Irrigation: When it leaks, we get it fixed. Let us know if you see water leaking anywhere. We will assess our plants and maybe add or replace some that are not doing well. Overall, landscaping at Belcorte is pleasant.

Pool: Pool closes at the end of October. We will be doing a few repairs and likely painting the deck. We will get bids for all this work and attempt to do it as soon as this season is over. It's nice to see a lot of you using the pool.

BOARD MEMBERS NEEDED - In December, it will be time for elections again. Rather than brush this aside, consider helping out for a 2 yr. term. We are just a few and we work for the beauty of Belcorte which keeps all of us happy and our home values high. Simple work, everybody benefits. Together we keep our community nice. Always keep your yard free of weeds, your bushes trimmed, and your garage door paint and house paint in good condition.

**Our next Board Meeting is In-Person at Eastside City Hall and Via Zoom
Monday, September 12th at 10:00 AM.**
